PARISH COUNCIL

NEXT MEETINGS 14TH DECEMBER AND 11TH JANUARY

FROM PARISH COUNCIL MINUTES

Positioning of Speed humps – The clerk advised that CCC Highways stated it would be difficult to install 2 pairs of humps either side of the Fen Road junction as there has to be a certain distance between humps and road junctions. It is possible that an additional pair of humps can be installed on the way out of the village towards Warboys from the Fen Road junction, but CCC Highways will have to confirm this following a full safety inspection. Ms Charlie Lowe suggested putting additional signage advising of a blind bend approaching. Mr David Hopkins advised there is a limited amount of signs which can go onto the highway. Mr David Hopkins advised that Lakeside lodge would donate £1000 towards to the additional cost if the PC were to consider an additional pair/2 pairs of speed humps. The clerk is to speak with CCC Highways again about adding one pair of humps at the Church end of the village to the further 5 pairs. Clerk 101

Speedwatch coming to Pidley & Fenton

To assist with traffic calming measures in the village we now have a team of volunteers trained with **Community Speedwatch**. We still need more volunteers, so if you would like to help reduce speeding traffic through Pidley or Fenton then please join the team.

To find out more please get in touch with David H or Christine or feel free to email Speedwatch@cambs.pnn.police.uk.
