

Planning Applications for May 2020

- 1) RE: Planning Permission Consultation - Land South West of Roosters Fen Road
Pidley (ref 20/00453/FUL)

This was rejected by the majority councillors (one abstained due to this being a family member application) for the following reasons:

Out of keeping with the buildings in the area and this starts to in fill between the existing buildings.

while we cannot assume this design is being proposed for future change into a dwelling, the proposal is certainly excessive in design and look for use as a stable.

following on from point 2, we do not see the design as in keeping with the local architecture or surroundings.

Rejected by: Paul Robbs de la Hoyde, Mike Haines, Mark Wadsworth

Abstained: David Hopkins
